**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because they could deliver the speed I needed where NOBODY else could. I had terrible AT&T DSL where I live on the outer edge of San Francisco, terrible service, and high prices.

Sonic could deliver fiber at a fair price to my location. I work from home on the Internet and this speed and price is critical to me.

Also, they protect my PRIVACY and are all around decent.

Competition is AMERICAN. Please allow competition to thrive in our country.
